Project
The Vanishing Half, Part I

Group: _____

Topic: _____

criteria	BE possible	BE reached
Content Accuracy & Depth (40 BE)		
understanding of the novel: clear, nuanced understanding of Part I; references multiple scenes; connects events to identity, power, or theme structures accurately	15	
analytical insight: offers clear analytical claims; shows cause-effect reasoning; identifies patterns (e.g., trauma cycles, colorism structures)	15	
task fulfilment: fully meets all parts of the assigned task; stations, questions, visuals or freeze frames present and well prepared	10	
Presentation Quality (25 BE)		
structure and clarity: logical order, smooth transitions, clear explanation of key points	10	
delivery and communication: audible, confident, appropriate pace, engages audience, uses academic register	10	
management of interactive elements: smooth facilitation, questions stimulate thinking, group responds flexibly to class contributions	5	
Use of Textual Evidence (20 BE)		
selection of evidence: evidence is relevant, specific, and well-chosen	10	
integration of evidence: explanation connects evidence to claims about identity, trauma, power, or theme.	10	
Visual / Creative Execution (15 BE)		
design quality: clear layout, readable text, thoughtful visual choices that support understanding	10	
creative added value: creative choices deepen understanding rather than decorate	5	

BE total: _____ / 100

grade: _____
